

Non-Filers: Enter Your Payment Info Here

If you don't file taxes, use the "Non-Filers: Enter Your Payment Info Here" application to provide simple information so you can get your payment.

You should use this application if:

- You **did not file** a 2018 or 2019 federal income tax return because your gross income was under \$12,200 (\$24,400 for married couples). This includes people who had no income. Or
- You **weren't required** to file a 2018 or 2019 federal income tax return for other reasons

If you receive these benefits, we already have your information and you will receive \$1,200. Do not use this application if you receive:

- Social Security retirement, disability (SSDI), or survivor benefits
- Railroad Retirement and Survivor Benefits

Special note: People in these groups who have qualifying children under age 17 can use this application to claim the \$500 payment per child.

What to Expect

Clicking "Non-Filers: Enter Payment Info Here" above will take you from the IRS site to Free File Fillable Forms, a certified IRS partner. This site is safe and secure.

Follow these steps in order to provide your information:

- Create an account by providing your email address and phone number; and establishing a user ID and password.
- You will be directed to a screen where you will input your filing status (Single or Married filing jointly) and personal information.
- **Note:** Make sure you have a valid Social Security number for you (and your spouse if you were married at the end of 2019) unless you are filing "Married Filing Jointly" with a 2019 member of the military. Make sure you have a valid Social Security number or Adoption Taxpayer Identification Number for each dependent you want to claim for the Economic Impact Payment.
- Check the "box" if someone can claim you as a dependent or your spouse as a dependent.
- Complete your bank information (otherwise we will send you a check).
- You will be directed to another screen where you will enter personal information to verify yourself. Simply follow the instructions. You will need your driver's license (or state-issued ID) information. If you don't have one, leave it blank.

You will receive an e-mail from Customer Service at Free File Fillable Forms that either acknowledges you have successfully submitted your information, or that tells you there is a problem and how to correct it. Free File Fillable forms will use the information to automatically complete a Form 1040 and transmit it to the IRS to compute and send you a payment.
